Northern Bound Pilgrimage

Matapouri to Whananaki

Friday, 23rd – Sunday, 25th April 2021

The northern pilgrimages are now made up of a couple days walking using the Te Araroa (long pathway) trail to journey toward our destination, Rangihoua. Our next pilgrimage north will have some more beautiful northern beaches to enjoy as we head from Matapouri to Whananaki.

We will stay the two nights, Friday, 23rd and Saturday, 24th April in the comfortable motels at Whananaki Holiday Park. We'll have plenty of time to get to know the history of the local peoples as we continue to walk both the off road coastal tracks and the Te Araroa trail.

If you're interested in joining this leg of the journey we can provide you with more detailed information, please email Sarah sarah.laurie56@icloud.com or Fiona fee.mccauley@gmail.com

REFLECTIONS FROM JOSH JONES

“Since God chose you to be the holy people he loves, you must clothe yourselves with tender-hearted mercy, kindness, humility, gentleness, and patience.”

Firstly, a huge thank you to everyone who was able to attend to our 4 Easter weekend services, either in person or online, to all the people who contributed to these services and for the very encouraging feedback we've received. It's always heartening to have the privilege of visitors at our services and to hear just how much they enjoyed their worship time here at St George's.

As we said in our E-News, Holy Week is the most important part of our church calendar and the Cross and Resurrection lie at the central truth of our faith. So it was very special to enjoy such a deep and sacred time of shared worship together, as we contemplated and celebrated this momentous weekend.

In last Sunday's Easter Sermon, I mentioned how often St Paul uses the metaphor of “**putting on**” the clothing and garments of the risen Christ in his letters to the church. I also mentioned that 2020 had given many of us the great realisation that, for too long, we've been looking for the living among the dead things. Lifestyles that have contributed to our spiritual diminishment.

I highlighted a phrase from a wonder quote by Sonya Taylor talking about how all things Covid 2020 has given us all the “*opportunity to ‘stitch a new garment’ that fits all of humanity and nature.*” It struck me that this is the challenge for Christ's Church, to ‘*stitch a new garment*’, woven with the threads of resurrection hope and the qualities of the Holy Spirit. St Paul also reminds us many times in his letters (as above) of what these threads and qualities are. **“Clothe yourselves with tender-hearted mercy, kindness, humility, gentleness, and patience.”**

Throughout our Resurrection Hope series, we will continue to explore this gift and the challenge of being people who follow the **Risen Christ**. Today we welcome Rev. Stan Thorburn to continue our journey together.
