

Sarah Scott-Webb - For Freedom

It was timely to hear from Sarah last week and learn of the work she is currently involved with, as she teams up with her European colleagues in response to the Refugee crisis in Ukraine.

She is part of a team developing and translating trafficking prevention materials to ensure Ukrainian refugees are kept safe, and local churches know how best to help them.

For those of you who missed the short video Sarah sent through to our St G;s community, here is the [link](#).

Sarah has also requested prayer for the following:

Please be interceding on behalf of the people of Ukraine. Please be praying for the Lord's protection over the women and children fleeing, that they will be kept safe from traffickers and find a safe place to stay. Please pray for those left behind (the elderly, those fighting and those who are too poor to be able to leave).

- Please pray for me: for good sleep, divine connections, clear thinking and wisdom in discerning in how best **For Freedom** can support our partners in Europe over the longer term.

On top of all this, our dog (Astrid) injured her back again, and is back in her crate for a couple of weeks. It's definitely adding to my interrupted sleep! Please pray complete healing and restoration over her and that this will not be an ongoing problem. I have to wonder at the timing of this, it's a significant stress upon our family.
