## New Sermon Series

### The Lord's Prayer - 'On Earth as it is in Heaven'

Jesus taught us to pray, "thy kingdom come, thy will be done on earth as it is in heaven." In this series, we will dive into the radical nature of the Lord's Prayer and explore how the disciple shaped by this prayer seeks God's kingdom coming on earth. Throughout this series, we will explore what it means for us to live out this prayer in our daily lives, and to participate with the heart of God's mission on earth. We will also discover the revolutionary nature of the Lord's Prayer, and how it challenges us to live our lives in a way that is radically different from the culture around us.

## REFLECTIONS FROM REV JOSH JONES

Today we are so stoked to have our Youth Worship band lead us for today’s service. As you may know they recently led the worship at the Anglican Youth Easter Camp along with a Henderson Church youth gathering last month. We’ve mentioned many times that the nurturing of our young people for their faith, life journey is core to our ministry focus. Today’s world brings many challenges for us all but for those finding their adult feet the intensity of all the complex issues can be felt more keenly. This is why it’s so important that we continue to cultivate a sense of being an inter-generational worship community where we can all inspire and encourage each other.

It’s also very rewarding to see the recent fruits of this ministry with our recent Youth conversation online interviews, leading us in worship today and our Baptisms next Sunday involving several of our Youth.

With next Sunday’s Baptisms in mind, today Jeremy will speak into the centrality and resurrection hope of our core sacraments, Baptism and Holy Communion.

### AGM THIS COMING WEDNESDAY

We’re very much looking forward to our AGM meeting this coming Wednesday. Not only will we be taking care of the business side of things but also giving thanks for our past year’s worship ministry journey and where God may be wanting to lead us going forward. We live in the most rapidly changing cultural times I can remember and its vital that all Church leadership is not only keenly aware of these cultural dynamics, but through a life steeped in prayer is equipped to discern the Spirit’s leading for these times. We would love to see you there in support on the evening as we celebrate this past historic year in the life of St George’s.
