REFLECTIONS FROM REV JOSH JONES

As we at St George's enter this new year of 2024 we are buoyed and encouraged by the sense of God's Spirit and providence being so present and tangible these past few years. This will be the firm faith foundation on which we can build as we continue moving forward with conviction. We are so grateful for all those who have been ever present and to all those who have joined us fairly recently.

Feb 11th - Vision Sunday

To celebrate all of this, on **Sunday, Feb 11th** we will speak into our Vision aspirations for this coming year that are very much shaped and formed by the Spirit's leading these past few years and the kingdom fruit we have so evidently seen. With the January holidays and two long weekends behind us, this Sunday always feels like the time that 'normal service is resumed'. We begin 2024 very much looking forward to the new, exciting possibilities that God will provide for our mission shaped, worshipping community.

Journey of Lent

This year the formation **Journey of Lent** which is so central to our Christian faith and church calendar begins particularly early with **Ash Wednesday** on **February 14th**. Our sermon series to explore this journey will be the **5 Marks of Mission**, which are an exemplary expression of what it means to be the people of God participating in the redeeming mission of God.

In Christ Everything Has Changed

Today we give a very warm welcome to John McClean who will conclude our January series of encountering Jesus and how this can speak to our lives today.

As it's a holiday weekend, we don't have a children's program this morning, so please help yourself to activities and colouring in the creche at the back of the church.

Next Sunday is our first week of **Kid's Church** for 2024!! 🌟 We look forward to hearing all about your Christmas and summer break and hope and pray the start of the new school year goes really well 😊
