FIVE MARKS OF MISSION - ‘TREASURE’

**VISITORS ... It’s great to have you worshipping with us today.
We hope you feel at home here and we would love to see you again.**

Reflection from Rev Josh Jones

Today is our annual Giving appeal. The main point we always want to make is that all funds generously given are for one core cause. To fulfil our mission calling to **Proclaim the Good News of the Kingdom** as a people who believe in the truth of our Kingdom vision of hope in and through Jesus Christ.

Be it our weekly operational costs or our local and overseas ministry mission work, all monies received are to serve our calling to be GATHERED worship community and a SENT community. Sent to be the God flavours and the God colours in our local community and beyond. To sow seeds of Kingdom hope in our own lives and in the lives of others.

We are mindful that we make this appeal at a time of cost of living increases but can we ask that you prayerfully consider how you can contribute to our vision aspirations. We also acknowledge that everyone has different financial capabilities and all we ask, is that you consider what you may be able to give.

- You may be fairly new to St George's and feeling that this is your community, so we ask that you consider making a commitment to regular giving.
- You may be part of our growing online community, and we ask you to help support our vision aspirations.
- You may already be a regular giver, and we humbly ask that you pray on how you may be able to give a little more.
- You may be in a position to consider making a one-off donation to our **Endowment Fund** which allows us to make plans and provisions for future vision building and inevitable maintenance upkeep costs.

Whatever you are able to give, please know that we are immensely grateful for your contributions which will be for one purpose only. To sow more kingdom seeds for our beautiful kingdom calling and our Vision of hope.
