“Pentecost ”

VISITORS ... It’s great to have you worshipping with us today. We hope you feel at home, and please join us in hall after service for morning tea.

Reflection from Josh and Jeremy

Morena and greetings to everyone gathered for our sacred time of worship together. Today Hayley will conclude our mini series exploring the wisdom of how we live the kingdom vision given by Jesus.

It's been a privilege to hear from people in our own community of how they've experienced the transforming touch of the Kingdom way and today Hayley will be inviting Ann Milburn to speak of her own experiences. Anne is one of the unassuming faithful presences here at St George's. A member of our Pastoral Care team, a greeter of people at the church doors with a smile of hospitality, and helps to bring our Knox community over on Sundays.

Youth Led Pentecost Service

Next week St G's Youth will facilitate our Pentecost service of worship which is one of the key Sundays in the Christian church calendar world-wide.

One of our core priorities of our ***Catching the Wind*** initiative is to be even more intentional about the spiritual formation of our young people and to encourage the inter-generational heartbeat of our community. In this increasingly dis-connected siloed culture this is one of the ways for the Church to be significantly counter-cultural by demonstrating how all of us from every age group can be a gift and a blessing to each other.

On Sunday 7th of June both myself and Jeremy will be putting flesh on the bones of the ***Catching the Wind*** vision and updating developments that have arisen from the Spirit's movement among us these past few weeks.

- **A reminder of the Prayer time in the church on the Saturday evening 7pm** before Pentecost as we heed the instruction by the Risen Christ to his disciples, to wait in expectation and anticipation for the Spirit's coming in power.
- **Experience a night of original songs and well-known classics Saturday May 23rd**

A reminder of the Concert with the band and myself joining Andrew Healey for a night of good music in support of the **Tony McClean Nepal Trust**. [See on the other page for details.](#)
