VISITORS ... It’s great to have you worshipping with us today. We hope you feel at home, and please join us in hall after service for morning tea.

Reflection from Josh

Morena and a very warm welcome to you for this sacred time of gathered worship.

Whatever challenges and grace moments that any given week brings, it's this time of gathering as a community that continues to be the greatest blessing.

In a world that can feed our souls with the spirit fear carving out intentional time to focus on the gift and beauty of our faith is so important for our spiritual formation in Christ.

As we have encouraged many times over these past weeks our ***Catching the Wind*** initiative is all about enabling all of us to go deeper into a life-giving relationship with God and each other. We want St George's to be a safe place of Grace where we can all come to be nurtured and nourished in our faith

LIFE GROUPS

A core enabling framework for our desire to be all of the above is our St George's Life Groups. Today we will hear again from our new Life Group coordinators Gray Paterson and Shelley Taylor on some of their first steps to enable pathways for those who would like to join a group. The early response to Gray and Shelly's appeal a few weeks ago has been very encouraging.

NEWCOMERS LUNCH

After today's service we will also be having our Newcomers Welcome Lunch.

This is an opportunity for anyone who is new or newish to St George's to gather in a relaxed environment and ask any questions about our community that would be helpful for you.

It's also a chance for us to have the privilege of getting to know you a little better. Please feel free to just come along..Food and drink will be provided.

Today Charmaine will continue our sermon series **Fully Alive** by exploring what scripture wisdom reveals to us about the human condition of ***Gluttony***
